

Dear Parent/Guardian:

As a nonprofit organization, there are certain requirements that must be met to maintain our nonprofit status and receive the much needed corporate grants to support our program. These corporate grants allow us to make it happen for your child's growth, development and success in golf.

Part of our program requirement is to maintain and report annually, statistics and program enhancements to our corporate sponsors. Therefore, we are requesting the following information be completed and returned at your convenience.

- **Application for Membership**
- **Junior Golfer data form**
- **Release of Liability**

With your permission, we would also like to use your child's information as part of our San Diego Junior Golf program web site. As you will see, the student data form does not include any confidential or personal information about you or your child. We are extremely excited about the future of San Diego Inner City Junior Golf and your child's active role. Please select your choice in the appropriate box below.

I agreed to release my child's information to the San Diego Junior Golf Foundation for purposes as described above.

I do not agreed to release my child's information to the San Diego Junior Golf Foundation for purposes as described above.
